

CP 02-02 PROPOSAL DUE DATE SUSPENDED

The purpose of this amendment is to suspend the proposal due date for NIAC Phase I Call for Proposals (CP) 02-02 until further notice.

1. Please make the following changes to CP 02-02:
 - a. Page 2, delete the proposal due date, February 17, 2003, at the bottom of the page.
 - b. Page 10, paragraph 7, delete the reference to "February 17, 2003."
2. This action is being taken due to delays in the procurement process for the renewal of the USRA contract for the operation of the NIAC. Therefore, we are suspending the due date for CP 02-02. We are disappointed that we must take this action and regret any inconvenience to you. Please stay in touch with the NIAC website for future announcements about a revised due date for proposals in response to CP 02-02.
